The People Empowering People (PEP) program is a personal & family development program with a strong community focus. A trained facilitator recruits and interviews participants, conducts ten weekly two-hour sessions followed by bi-monthly or weekly follow-up sessions, and supports participants in community projects.

The cost for the **two day** training is \$125.00 per person. If you are currently a certified PAT Parent Educator the training is free. Call (860) 345-5215 for more info. This fee includes training, the 200 page PEP manual and morning refreshments as well as the opportunity to attend the one to two technical training/support sessions conducted each year. In registering for the training, each person will attempt to support or implement the PEP program at his/her site and complete simple evaluations. Robin Drago, Parent Educator at Charter Oak Academy Family Resource Center in West Hartford and an experienced PEP facilitator, will be conducting the training.

Registration must be paid in advance
